

SPACE SCHOOL

@Space Centre Huntsville, Alabama

Space Center Huntsville, Alabama is a place where people can experience space – its dramatic history and exciting present to its compelling future. Space Center Huntsville, Alabama is the only place on Earth that gives guests an out-of-this world journey through human adventures into space.

Main Attractions :

Space Camp, Space Academy, Advanced Space Academy, Aviation Challenge MACH 1 & II, Robotics Camp

Activities :

Space Mission, Mars Mission, History, Astronauts Simulators, Rocket Construction, Mission Specialist Track, Pilot Track, Flight Simulators, Aviation Principles, Robotics Design, Robotics Competition, Technology, With hands-on experience with the aid of IMAX & 3D Theaters, Experiments, Teamwork and Teambuilding

SPACE SCHOOL

@ Space Centre Houston

Space Center Houston's unparalleled exhibits, attractions, special presentations and hands-on activities tell the story of NASA's manned space flight program. SCH is the only place in the world where visitors can see astronauts train for missions, touch a real moon rock, land a shuttle, and take a behind-the-scenes tour of NASA.

At Space Centre Houston, guests can understand the past, experience the present, and be a part of the future of the space Program.

Main Attractions :

Space School, Living in Space, Blast-Off Theatre, Starship Gallery, Space IMAX Theatre, Astronaut Gallery, Space Place

Activities :

Designing Robotic Rover, Landing Rover on the Surface of Mars, Designing and Launching a Rocket, Preparation of Object to loft in Space, Meeting with NASA Scientists, Space Shows, Space Movies, Space Exploration, Students Presentations.

SPACE SCHOOL

@ Kennedy Space Centre

At Camp Kennedy Space Centre, young people experience, imagine and interact through space shuttle mission simulations, tours of Kennedy Space Centre and the chance to witness first-hand the everyday challenges faced by astronauts. It all adds up to an inspiring week of fun and enriching space activities.

Main Attractions :

Shuttle Launch Experience, IMAX Films, Apollo / Saturn V Center, Exploration Space, Rocket Garden, Astronaut Encounter, U.S. Astronaut Hall of Fame, Astronaut Memorial, Children's Play Dome, Early Space Exploration, Hubble Telescope Exhibit

During Camp Kennedy Space Centre's Day Camp, the students will:

- Feel the thrill of spaceflight through actual motion-based simulators.
- Work in teams to investigate space travel in the new millennium.
- Design space exploration vehicles and habitats.
- Meet and talk with an astronaut.
- Perform an actual space shuttle mission simulation.
- Strap into the Shuttle Launch Experience.

a venture of **Indian Research Foundation**

Indian Astronomy Group

Indian Astronomy Group identifies the young aspirants who show keen interest and enthusiasm in Space Science. The selected students aged between 9 to 18 years are groomed meticulously with the basics of Astronomical Sciences and their hypothetical inceptions are strengthened by a visit to NASA, which endures their skills and motivate them for supplementing their knowledge hereby laying firm foundation for their Astronomical comprehension.

The **Indian Astronomy Group** is an authorised Space Camp Ambassador and appointed to represent in India & GCC Countries.

Edutour to  - USA

Space Camp Ambassador have been authorised to take students to NASA. For further details please contact:
